

Metenova MixOne

SUA 40L Mixing Carboy Truelev

A closed single-use mixing system intended for mixing of pharmaceutical liquid products. The built-in rigidity of the container ensures safe handling and protection of the product inside making it suitable for applications such as transport and storage. The system is designed to promote optimal mixing performance essential for critical pharma applications. The system is tailor made to meet your specific needs of integration.

Single-Use
Applications

Container setup

Container	40L Square PP
Cap	Sealed system (welded lid)
Mixing system	Truelev 100
Inlet port	1x3/8"
Vent Port	1 x 3/8"
Sampling port	1x 1/8"
Outlet port	1x 3/8"
Extra feature 1	Barb protections
Extra feature 2	N/A
Extra feature 3	N/A

General information

Measurements	Max volume (L)	40
		Width 580 (22.8)
	Package mm (in)	Height 900 (35.4)
		Depth 380 (15)
Mixing System	Mixing Unit	Truelev
	Mixing Volume (L)	2,5 - 40
	Compatible drive unit platform	ZU40L513SQT-05171
Material Compliance	Biological reactivity	All product contact material have passed USP VI testing (USP<88>)
	BSE-TSE status	All product contact materials comply to EU guidance EMA/410/01
	Endotoxin	USP <85> (< 0.25 EU/ml)
	Particulate matter	N.A
	Irradiation	Gamma
Assembly	Inspection	100 % leak tested
	Final assembly	Cleanroom ISO Class 7
	Packaging	Double bags in cardboard box

Tube Setup

Inlet line	<i>Length mm (in):</i> 610 (24)
<i>Tubing</i>	3/8" ID Quick Seal 24" long All pure C-flex
<i>Fitting</i>	Aseptiquik G Conn. 3/8" HB (AQG17006)
<i>Fastener</i>	PP tube clamp, 3/8"-3/4"
Outlet line	<i>Length mm (in):</i> 620 (24,4)
<i>Tubing</i>	3/8" ID 25" Long C-flex 374
<i>Fitting</i>	Aseptiquik G Conn. 3/8" HB (AQG17006)
<i>Fastener</i>	PP tube clamp, 3/8"-3/4"
Vent line	<i>Length mm (in):</i> 610 (24)
<i>Tubing</i>	3/8" ID 25" Long C-flex 374
<i>Sensor</i>	N.A
<i>Filter</i>	Opticap XL 50 Express SPG 0,2µm, HB/HB
Sampling line	<i>Length mm (in):</i> 305 (12)
<i>Tubing</i>	1/8" ID Quick Seal 12" long All pure C-flex
<i>Sensor</i>	End plug 1/8"
<i>Fastener</i>	PP tube clamp, 3/8"-3/4"
